REPORT ON WORKSHOP

The Institutional Quality Assurance Cell (IQAC) of Sri V.S. Sivalingam Chettiar Government Degree College organised a workshop on research methodologies-hands-on learning on January 3, 2022. At the workshop's opening ceremony, Dr. S. L. B. Sankara Sarma, the college's principal, welcomed the participants and the special guest. Dr.M. Ramakrishna Reddy, Principal of NBKR Science and Arts College, opened the session by outlining the value of research methodologies. He explained in his talk that there are eight main sections in a research paper: the title (cover page), the introduction, the literature review, the research methodology, the data analysis, the results, and the conclusion.

He provided a thorough explanation of how to conduct a research project during the second session. There were 18 members of the academic staff present. Physics professor Dr. J. Subrahmanyam thanked all of the attendees for participating actively. The workshop is being held as a demonstration of the two colleges' commitment to carrying out the programmes outlined in the Memorandum of Understanding, NBKR Science and Arts College and Sri V.S. Sivalingam Chettiar Government Degree College.
