CODE OF ETHICS POLICY DOCUMENT

The college places a high value on both staff and student discipline and etiquette. As a result, the college has a well-defined code of conduct to properly govern the college.

Code of Conduct for Principal

- The principal should act in such a way that the employees and students look up to him or her for direction.
- In carrying out his or her obligations, he or she must be impartial, secular, dignified, and timely.
- The principal should arrive at least half an hour before the college's scheduled start time and depart when the day's work is completed.
- He or she should set the tone in terms of appearance, conduct, attendance, and timeliness, among other things.
- As the college's first teacher, he or she should attempt to handle the minimum number of classes required by the requirements and set an example.
- The principal should maintain regular contact with students, which will help to alleviate indiscipline and dissatisfaction in the college and on campus.
- In all academic and administrative activities of the college, the principal should demonstrate strong leadership skills.

Code of conduct for teaching Staff

- Staff must adhere to the institute's vision and objectives by maintaining high standards of punctuality, honesty, and professional ethics, as well as working within institutional regulations and practises.
- All employees should keep track of their portfolios correctly.
- Staff must be properly attired for the tasks they perform.
- The authority's orders and directives must be followed by all members of the staff.
- Staff members should work together with colleagues and outside agencies to assist the college's and students' development.
- All personnel on campus should wear their College Identity Card.

- Only authorized authentication is allowed to exit the office.
- Regardless of their job, gender, or status within the institution, employees should treat their colleagues with professionalism and civility.
- All college employees should maintain harmonious relationships with other staff and students.
- Staff should maintain secrecy in the conduct of examinations and any other information, unless the institutional authority requests it.
- Every member of staff should make a positive contribution to the college's and university's development.
- All employees should properly follow the institution's academic requirements and protect the academic environment's sanctity.
- All employees are expected to contribute to the community's and society's well-being.
- Through training programmes, workshops, and research and development initiatives, all employees should strive for ongoing improvement.

Code of conduct for Students

- Students should be on campus from 10:00 a.m. to 5:00 p.m., with a lunch break between 1:00 and 2:00 p.m., By 9.45 a.m., all students must be on campus.
- Attendance of 75% is required in order to sit for University Exams and obtain Scholarships.
- In the College, all students are required to wear uniforms and have ID cards.
- According to government regulations, ragging in any form is forbidden.
- The use of cell phones on campus is strictly prohibited.
- In the classrooms, library, and corridors, complete stillness must be maintained.
- Classrooms, Laboratories, the Library, and the College campus must all be kept clean.
- Maintain a plastic-free environment on campus.
- During their free periods, students should go to the library.
- Regularly reading the Notice Board is recommended for students.

Report

Name of the Programme : FDP- Professional Ethics,
Venue : Digital Class Room
Date & Time : 25th October 2021, 11:00 am to 4.00 pm
Participants : Faculty: 16, students 65

Dr. KVSDP Vara Prasad, the principal in charge and an IQAC member, welcomed the teachers and resource people, emphasising the importance of the professional ethics workshop. He then declared the programme open. According to the resource person, **Dr. A. Babu**, Head of the Department of Hindi, the workshops main goal was to help students develop critical thinking skills that will help them recognise potential ethical dilemmas. Dr. Babu explained in his second session that he wanted to draw everyone's attention to the problems and challenges that are right in front of us at the levels of individual, family, society, and nature. The primary goal of this workshop is to increase ethical knowledge and ethical thinking. **Smt. Anuradha**, Lecturer in Computer Science, proposed a vote of thanks and thanked the resource person, principal, sub-committees, and all attendees for helping to make the event a huge success.

A handwritten signature in black ink, appearing to read "S. Anur", is written above the printed name of the Principal.
