HISTORY QUESTION BANK FOR COMPETITIVE EXAMS

CONTEXT:

The course History spread over six semesters as core course, aims to make students experts in facing competitive exams and get employability. The syllabus and assessment designed and implemented by the affiliated University has focused only on descriptive based knowledge to students in annual pattern. After introduction of CBCS and semester system in 2015 16 the focus changed and introduced bit pattern to some extent along with the descriptive type which is very much useful to student in competitive exams. The internal and external ratio is 75:25 has come into effect from 2015-16.

The department has made use of the little available autonomy in the internal assessment, for which university has not given particular guide lines to analyses the skills of the students. Most of the students of our college came from academically and economically poor background. They cannot afford thousands of rupees to take coaching from outside for competitive exams. This practice will definitely be helpful to achieve their goals.

OBJECTIVE:

Students will able to
Convert the descriptive data given to them into question bank
Use analytical and critical thinking skills
Improve the peer discussion skill
Prepare question bank which is useful to competitive examinations

PROCEDURE:

Identification of theory topics
Division of students into groups
Poer discussion on the given topic
Continuous mentoring by the Lecturer
Group of students prepare and collect the bits
