REPORT ON INTERNATIONAL DAY FOR ELIMINATION OF VIOLENCE AGAINST WOMEN

Violence against women is one of the most widespread, persistent and devastating human rights violations in the world. Violence against women continues to be an obstacle to achieving equality, development, peace as well as to fulfilment of women and girl's human rights. All in all, the promise of the sustainable Development Goals can not be fulfilled without putting an end to violence against women and girls. To prevent the Violence against women, United Nations General Assembly has designated 25th November as "International Day for Elimination of Violence Against Women".

On this occasion, an awareness programme was organized by women empowerment cell in our college. The Principal presided over the programme. All the students and faculty attended the programme. Students were educated about various women protection acts. A debate was conducted to the students on violence against woman. In this debate the participants shared their views about the measures to be taken to prevent violence against women.
