**REPORT OF THE NATIONAL ENERGY CONSERVATION DAY**

On December 14, 2021, SVSSC Government Degree College observed National Energy Conservation Day. The competition's themes were **Azadika Amrit Mahotsav: Energy Efficient India and Azadika Amrit Mahotsav: Cleaner Planet**. The Chief Guest and Principal of the College, **Dr.SLB Sankara Sarma**, emphasised the significance of National Energy Conservation Day, which is observed every year on December 14th in India. This event has been commemorated since 1991, when it was spearheaded by the Ministry of Power. In his message, this day is celebrated to raise awareness about energy conservation as the best way to have a greener and brighter future.

**Dr. V. Raja**, Professor and Head of the Department of Physics, emphasised the importance of reducing energy consumption and encouraging people to use it wisely. Energy conservation, according to **Dr. J. Subrahmanyam**, Professor of Physics, is the decision and practise of using less energy. Finally, the principal bestows prizes on the essay writing and elocution competition winners. The programme was organised and proposed by the II B.Sc students, who also proposed the vote of thanks.
