**DEPARTMENT OF PHYSICS**

**SCIENCE DAY REPORT**

On February 28th, the Department of Physics commemorated National Science Day-2022. The day is observed to honour Indian physicist Sir C .V. Raman's Nobel Prize-winning discovery of the Raman Effect.

The Principal, **Dr.SLB Sankara Sarma**, conveyed Science Day wishes to all science students and staff members, underlining our commitment to preserving our collective scientific responsibility and utilising science's power for human growth.

The Chief Guest, **Dr. KVSDP Vara Prasad**, Head, Department of Statistics, emphasized the importance of National Science Day in his message. **Dr. V. Raja**, Professor and Head, Department of Physics, highlighted the theme of the 2022 National Science Day, "Integrated Approach in Science and Technology for a Sustainable Future." **Sri Ch. Subrahmanya Sastry**, Head, Department of Chemistry, highlighted the applications of the Raman Effect, and **Dr. J. Subrahmanyam**, Professor of Physics, discussed Raman's biography before awarding prizes to the winners of the essay writing and elocution competitions. The II B.Sc students organized the programme and proposed the vote of thanks.
