CIRCULAR

11-10-2021

To help graduates land jobs at TCS as well as other companies, Tata Consultancy Services will host a 50-day online training programme from Monday through Saturday for two hours each day. The training includes instruction in analytical skills, English skills, general skills, computer skills, mathematical skills, and career guidance. Therefore, it is recommended that all students in their final year register and take advantage of the programme. Consult the colleges' Jawahar Knowledge Center (JKC) for further guidance. All participants will receive certificates at the program's conclusion. Additionally, it was mentioned that there is no registration fee for the programme.

Highlights of the programme

- Enhancing the employability of rural youth from socio-economically marginalised communities and promoting inclusive growth.
- Providing the beneficiaries exposure to industry needs and making them eligible to take up employment in the corporate sector, government sector, and MSMEs
- Ensuring the continuous availability of a talent pool for the tech industry and increasing diversity and gender parity.

The TCS Youth Employment Program (YEP) encouraged students to realise their true potential and achieve it. The programme has instilled self-confidence... There is a tremendous improvement in their communication skills, along with personality development. The YEP's specialised training has paved the ideal path for their campus-to-corporate transition.
