Dr. SLB SANKARA SARMA, the principal in charge and IQAC member, welcomed the teachers and resource people, emphasising the importance of the professional ethics workshop. He then declared the programme open.

According to the resource person, **Ch. Sunil Kumar**, Head of the Department of Hindi, the workshops main goal was to help students develop critical thinking skills that will help them recognise potential ethical dilemmas. Hindi still is a mother language for many in several states of the country and English used as a medium to impart knowledge remains a great barrier. It is also been said that to ensure strong foundation skills in numeracy and literacy, the curriculum should be imparted in a language that a child understands.

Dr. A. Babu, Head of the Department of Hindi explained in his second session that he wanted to draw everyone's attention to the problems and challenges that are right in front of us at the levels of individual, family, society, and nature. The primary goal of this workshop is to increase ethical knowledge and ethical thinking.

Dr.N Prabhakar Lecturer in Library Science, proposed a vote of thanks and thanked the resource person, principal, sub-committees, and all attendees for helping to make the event a huge success.

*Thank
