www.gdcsullurpet.edu.in

Srujana

It gives me an immense pleasure to present the various academic and co- curricular activities held in our college during the academic year 2021-22.

Dr. SLB SANKARA SARMA, M.A., M.Ed., Ph.D.,

PRINCIPAL

Our Mission

- To Provide global knowledge and skill-sets to academia, industry and life. To lead the students towards participating in the nation's socio-economic development with competence and character by training them to play a leading role in the society.
- To promote and propagate innovative teaching and research programmes and create specialized centers of learning / training.
- To develop collaborations with leading national and international agencies in areas of knowledge that enriches the students' mind and enlarges their horizons. To support and strengthen faculty academically from advanced research to discovery and creation of new concepts, systems and products.
- To imbibe social responsibility in addition to moral, ethical and environmental values.

National Science Day

National Science Day 2023 was observed by the Department of Physics on February 28. The Raman Effect, which Indian physicist Sir C.V. Raman discovered, is celebrated on this day.

In wishing all science students and staff members a happy Science Day, Principal Dr. S.L.B. SankaraSarma reaffirmed our commitment to upholding our shared scientific responsibility and utilising science's potential for fostering human growth.

The theme of the 2023 National Science Day, *Global Science for Global Wellbeing*, was highlighted by Dr. V. Raja, Professor and Head of the Department of Physics. The professor of Physics, Dr. J. Subrahmanyam, spoke about Raman's life before presenting prizes to the winners of the essay writing and elocution competitions. The faculty members Smt. D. Usha Rani, Sri S. Srinivas, Sri Ch. MadhuBabu, and Sri Ch. SubrahmanyaSastry highlighted the applications of the Raman Effect. The programme was organised, and the motion to thank was made by the third-year B.Sc. students.
